

ICSOC 2005

The 3rd International Conference on Service-Oriented Computing

December 12-15 2005, Amsterdam, The Netherlands

<http://www.icsoc.org>

The 3rd International Conference on Service-Oriented Computing (ICSOC'05) follows on the success of two previous editions in New York City, USA (2004) and Trento, Italy (2003), and aims at consolidating as the main reference conference for service-oriented computing and Web services. ICSOC'05 has the goal of fostering cross-communities scientific excellence and establishing a link between research and industry. Topics include but are not limited to:

- > Service Description, Discovery, and Composition
- > Service Monitoring, Deployment
- > Service Middleware
- > Service-Oriented Architectures
- > Service Development and Maintenance
- > Novel Business Models for SOAs
- > Economical Implications of Web services and SOAs
- > Quality of Services, Exception Handling, Service dependability

General Chairs	Paco Curbera (<i>IBM Research</i>) and Mike Papazoglou (<i>U. of Tilburg</i>)
Program Chairs	Fabio Casati (<i>HP Labs</i>), Paolo Traverso (<i>ITC-IRST</i>), and Boualem Benatallah (<i>UNSW</i>)
Local Organization Chairs	Willem Jan van den Heuvel and Kees Leune (<i>U. of Tilburg</i>)
Industrial Chair	Jean Jacques Dubray (<i>Attachmate</i>)
Demonstration Chair	Schahram Dustdar (<i>Vienna U. of Tech.</i>)
Panel Chairs	Christoph Bussler (<i>DERI</i>) and Meichun Hsu (<i>HP, USA</i>)
Tutorial Chairs	Asit Dan (<i>IBM Research</i>) and Vincenzo D'andrea (<i>U. of Trento</i>)
Workshop Chairs	Frank Leymann (<i>U. of Stuttgart</i>) and Winfried Lamersdorf (<i>U. of Hamburg</i>)
Financial Chair	Maurizio Marchese (<i>U. of Trento</i>)
Publicity Chairs	Shonali Krishnaswamy (<i>Monash U.</i>), Helen Paik (<i>QUT</i>), and Quan Z. Sheng (<i>UNSW</i>)

Important Dates

May 15, 2005	Workshop proposal submission
Jun 24, 2005	Paper abstract submission
Jul 01, 2005	Tutorial and panel submission
Jul 01, 2005	Full paper submission
Jul 30, 2005	Demonstration proposals
Sep 10, 2005	Notification of acceptance
Oct 03, 2005	Final manuscript due
Dec 12, 2005	Workshops and tutorials
Dec 13-15, 2005	Main conference

Area Coordinators

Middleware	Roger Barga, Microsoft
Security and Privacy	Elisa Bertino, Purdue Uni.
Automated Planning	Jim Blythe, ISI/USC
Database	Stefano Ceri, Politecnico di Milano
Software Agents	Boi Faltings, EPFL
Web Manage. /Grid Computing	Ian Foster, Uni. of Chicago
Software Engineering	Garlo Ghezzi, Politecnico di Milano
Semantic Web Services	Richard Hull, Lucent Tech
Pervasive, Mobile and P2P Sys.	Hui Lei, IBM Research
Formal Methods	Ugo Montanari, Uni. of Pisa
Requirements Engi. and Method.	John Mylopoulos, Uni. of Toronto
Information Systems	Colette Roland, Uni. of Paris
